P. O. BOX 1419
FALLBROOK, CA 92088

DRAFT

Quentin Brooks
Project Manager
Finance and General Government Executive Office

Dear Mr. Brooks:

The Fallbrook Planning Group supports the Unsafe Camping Ordinance with Enhancement A- Fire risk- related provisions; and Enhancement B- Added protections for open spaces and public works infrastructure.

We also support a provision requiring that sufficient shelter beds be available for all unhoused individuals in unincorporated areas before enforcement actions can occur.

This will add another layer of protection to the unincorporated areas in the County of San Diego, while also acknowledging and supporting the needs of those who are homeless.

Sincerely,

Eileen Delaney, Chair
